

Bronner Business Institute (BBI)
“Business Plan Competition 2007”

2007 represents the second year of the BBI Business Plan Competition. This flyer is designed to provide a brief overview of the Competition. Complete competition information will be available on the following web-site: www.nhbbs.org/businessplancompetition or contact: Kelly Robinson at 77-874-8400x 1105.

The Benefit:

A single winner will receive a **\$25,000 cash award** (taxable) to serve as working capital to advance the business objectives associated with his/her venture.

By design, the Competition is dual in nature serving as both a learning experience and providing an environment of application – both from a real world perspective.

The Requirements:

- Each venture must have at least one BBI entrepreneur course or workshop graduate and BBI member
- Each venture must be a **for-profit** enterprise (this competition is not for social or non-profit entities)
- The venture can't be a multi-level marketing, investment/lending or illegal / unethical / immoral enterprise
- The Business Plan must NOT exceed 25 pages “including” financials and other supporting attachments
- The venture will submit its Business Plan electronically via Adobe .pdf file format] **PLUS** 10 hard copies

The Venture:

Ventures who participate in the Competition can be at different stages of commercialization:

- Seed Stage: (conceptualizing, researching and developing insights, concepts and ideas)
- Start-Up Stage: (launching, piloting or performing the business in the marketplace)
- Growth Stage: (building, capitalizing or leveraging the business for expansion)
